

Norman S. Edelcup
Comprehensive Science 2
Mrs. Macias-Ramirez

Sunny Isles Beach K-8
Syllabus 2022-2023
Room # 508

Email: macias@dadeschools.net
Website: mrsmaciasramirez.com

COURSE DESCRIPTION:

The goal of this course is to provide students with the opportunity to study and explore different scientific process. Students will recognize their connection to the environment and become motivated to participate in making educated decisions in our society as scientifically literate citizens. The Next Generation Sunshine State Standards will be implemented throughout this course and the Miami-Dade School District Pacing Guide for science will be followed.

CLASS RULES AND EXPECTATIONS

- 1. Behave properly and follow directions.**
Be polite. Do not run, play, or throw objects in the classroom.
Unkind teasing and impolite behavior are unacceptable.
Follow directions the first time they are given.
If you are not sure what to do, ask the teacher.
- 2. Be on time and begin working.**
Take out your composition notebook/pencil and begin the “Bellringer” assignment immediately upon entering the classroom.
You will have 5 minutes to complete the “Bellringer.”
- 3. Work quietly and do not disturb others.**
If you are working with a partner or in a group, keep your voices down as to not disturb others.
Listen when others are talking and raise your hand to be noticed or called on.
Please, no shouting if you have not been acknowledged.
- 4. Remain in your assigned seat.**
Get teacher permission before getting up.
Do not walk around the room and do not get up to throw away papers. It is very distracting to others, especially if the teacher is in the middle of a lesson. Wait until the end of class.
Ask for permission before going to the bathroom.
The teacher, NOT the bell, dismisses you. Remain seated and do not wait by the door.
- 5. Respect yourself and all around you!**
Keep hands, feet, and objects to yourself.
Take care of our classroom and school property.
Use polite speech and body language.
Respect yourself, respect the teacher, respect your classmates, respect everyone.

CONSEQUENCES

- | | | |
|-----------------------|----------------------|--------------------|
| 1. Warning | 3. Detention | 5. Referral |
| 2. Parent Call | 4. Conference | |

SUPPLIES

Must be kept with you at all times and some will have to be replenished if lost or used.

1 Composition Notebook (NOT spiral)

1 Pack of Copy Paper

1 Folder with Pockets for Science Fair

1 Lysol Wipes Pack OR Paper Towel

Headphones

Recommended: Laptop or device for online activities.

2 Pencils with erasers (everyday)

Glue Stick or Tape

CLASS FORMAT

*Have your composition notebook and science workbook with you at all times.

*Every worksheet must be headed properly. "No Name" will result in "No Grade".

*Most classes will begin with a "Bellringer" activity which will be posted on the smartboard. The student is expected to work on the "Bellringer" quietly while teacher is greeting the class.

*Expect quizzes on a regular basis, announced or unannounced, most likely after every lesson is completed.

*Tests will be given at the end of each Unit.

*We will use an interactive platform called "Gizmos."

*We will also use Florida Students Tutorials and Edgenuity.

*We will do many labs and demonstrations throughout the school year. Safety Rules must be followed.

*Students are expected to check the board for announcements and assignments as soon as they enter the classroom. It is your responsibility to write down the Homework. The teacher might not remind you as it will already be written on the board. Not writing down the Homework doesn't excuse you from not doing it. Again, it is your responsibility to read the board and write down your Homework.

*The teacher also writes the topic, classwork, and workbook pages on the board.

*Absent students are expected to contact teacher via email to keep up with class.

Make-up work is the absolute responsibility of the student and must be completed within the time frame assigned, usually 3 days. Talk to the teacher upon your return to school from an absence. You must ask for make-up work. A grade of ZERO will be awarded if it is not completed.

Cheating will result in a grade of ZERO, a parent phone call, and discipline action.

SCIENCE NOTEBOOK

1. Have 1 composition notebook to be used for Science class exclusively.
2. The first page of your notebook should be your syllabus. Highlight teacher's email and website.
3. Make sure your notebook cover has your name, teacher, and period.
4. Notebooks will be checked once per Nine Weeks. No loose papers allowed. Every paper must be taped or glued to your composition notebook.

ATTENDANCE

Regular attendance is important in science class as it is difficult to make up lab activities. If a student misses a lab activity an alternative assignment may have to be assigned. EX: Current Event- provide printed article and 1 page summary.

HOME LEARNING

Each student is expected to do their Homework when assigned. It will usually take you 20 minutes to complete your Homework. Remember to return to class with the Homework completed and ready to work every day. Homework will be checked regularly.

SCIENCE FAIR PROJECT

Every student is expected to do a Science Fair Project as part of the curriculum. This assignment will begin during the first marking period and will be due on the second quarter, around the last week of October. The grade on this project will have a heavy load on the final grade for the second grading period and may result in "F" if a project is not turned in. Check my website for ideas and pre-approved topics.

GRADING SCALE

<u>Academic</u>	<u>Effort</u>	<u>Behavior</u>
A 3.50 - 4.00 (90 - 100%)	1 Outstanding	Excellent
B 2.50 - 3.49 (80 - 89%)	1 or 2	Good
C 1.50 - 2.49 (70 - 79 %)	2 Sufficient	Average
D 1.00 - 1.49 (60 - 69%)	3 Insufficient	Unsatisfactory
F 0.00 - 0.99 (0 - 59%)	3 Insufficient	Unacceptable

Grades will be based on percentage points assigned to Daily Assignments, Lab Performance and Reports, Gizmos, Florida Students Assignments, Edgenuity, Quizzes, Tests, Homework, Projects, Composition Notebook, and Class Participation.
